# TIMBER PRICE INCREASES.

Dear customer,

Given the current market conditions we know how important it is that you are provided with advanced notice of any significant supplier price increases. We are therefore advising you of some price increases on products that you have purchased previously. These increases will come into effect on March 1st 2022.

Product Category	Price Increase
Hardwood Plywood	Up to 5%
Marine Plywood	5%

Please note, the above increases do not apply to all products within the categories and only highlight the most relevant price increases.

### Why we're increasing our prices.

Unfortunately, pricing in the plywood market remains very volatile. As a result of increasing worldwide demand, coupled with other markets willing to pay more for timber than the UK, the price continues to fluctuate. As we strive to guarantee supply in the market, the effect this demand is having in the market means we are forecasting further increases over the next few months.

### Keeping up to date.

To keep up to date with any other price increases and product availability, please visit our dedicated supplier updates page here: [www.jewson.co.uk/supplier-updates](http://www.jewson.co.uk/supplier-updates)

If you'd like to talk to us about anything we've included within this letter, please get in touch with your local branch.

We look forward to continuing to work with you.

Yours Sincerely,  
Jewson
